

PERSONAL INFORMATION

Giuseppe Costa

✉ giuseppe.costa@unito.it; giuseppe.costa@epi.piemonte.it

Sex Male | Date of birth 08/03/1952 | Nationality Italian

WORK EXPERIENCE

2001 – current	Full professor of Public Health at the Medical School of the University of Turin, Department of Biological and Clinical Science, University of Turin
1999 - current	Head of the Regional Unit of Epidemiology and Health Promotion in the Piedmont Region
2008 - current	Member of the Expert Group on Social Determinants and Health Inequalities of the DG Health and Food Safety, European Commission
2012 - current	Coordinator of the Committee on Equity in Health and Health Care of the Italian Conference of the Regions
2012 - current	Member of the scientific committee on Measures of Wellbeing Equity and Sustainability of the National Institute of Statistics
1994 – 1998	Head of the Medical-Epidemiological Unit of the Public Health Laboratory, ARPA Piemonte
1982 – 1994	Epidemiologist at the Unit of Epidemiology of the Local health Unit of Turin
1979 – 1982	Occupational physician at Hygiene Office of the Turin Municipality

TEACHING

- 2014 - current Professor of Epidemiology at the Statistics and Economic Sciences School at the Department Cognetti de Martis, University of Turin
- 2001 - current Professor of Epidemiology, Public Health, Evidence Based Medicine, Hygiene, Health Services Organization and Community Medicine at the:
- Medical School of San Luigi, University of Turin
 - Rehabilitation School of San Luigi, University of Turin
 - Occupational food and environmental hygiene School, University of Turin
 - Master of epidemiology, University of Turin
 - Master of health economics, University of Turin
 - Specialization School on Hygiene and Preventive Medicine, University of Turin

BOARDS OF PhDs, SUPERVISION OF PhD STUDENTES AND POST-DOCS

- 2002 - 2015 Director of the Occupational food and environmental hygiene School, University of Turin
- 2006 - current Board of Master of Epidemiology and Board of Master of health Economics, University of Turin
- 1990 - current Board of Specialization School on Hygiene and Preventive Medicine, University of Turin
- Supervision of several specialization students at University of Turin

EDUCATION AND TRAINING

- 1986 - 1988 Medical Specialization in Public Health and Preventive Medicine
University of Turin
-
- 1978 - 1980 Medical Specialization in Occupational Medicine
University of Turin
-
- 1971 - 1977 Degree in Medicine
University of Turin
-

PERSONAL SKILLS

Mother tongue(s) Italian

Other language(s)	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C2	C2	C2	C2	C1
French	C1	C1	C1	C1	C1

Levels: A1/A2: Basic user - B1/B2: Independent user - C1/C2 Proficient user
[Common European Framework of Reference for Languages](#)

Communication skills ▪ good communication skills gained through experience health promotion

Organisational / managerial skills ▪ leadership (currently responsible for a team of 60 people)

Digital competence

Driving licence B

ADDITIONAL INFORMATION

ACADEMIC VISITS

- 1987 ▪ City University and Office of Population Censuses and Surveys (London, UK) (2 weeks)
- 1983 ▪ National Institute of Occupational safety and Health (Cincinnati, Ohio, USA) (2 months)
- 1983 ▪ National Cancer Institute (Bethesda, Washington, USA) (1 week)

LAST EUROPEAN PROJECTS ENGAGEMENT

- 2015 - 2018 **LIFEPATH** – Lifecourse biological pathways underlying social differences in healthy ageing – HORIZON 2020
<http://www.lifepathproject.eu>
- 2015 - 2018 **MINDMAP**, Promoting Mental Wellbeing In The Ageing Urban Population: Determinants, Policies and Interventions In European Cities
- 2015 - 2018 **EURO-HEALTHY**, Shaping European Policies to Promote Health Equity
<http://www.euro-healthy.eu>
- 2012 - 2015 **DEMETRIQ**, Developing Methodologies to Reduce Inequalities in the Determinants
<http://www.demetriq.eu>

2011 - 2015	SOPHIE , Evaluating the Impact of Structural Policies on Health Inequalities and their social determinants and fostering change http://www.sophie-project.eu/index.htm
2011 – 2014	JOINT ACTION ON HEALTH INEQUALITIES , Action to tackle inequalities is required at EU, national, regional and local levels with a wide range of stakeholders across a range of policy areas http://www.equityaction-project.eu/about/equity-action/
2011 – 2013	EURO-GBD-SE , The Potential for Reduction of Health Inequalities in Europe http://www.euro-gbd-se.eu/
2010 – 2014	EUROHOPE , European Health Care Outcomes, Performance and Efficiency http://www.eurohope.info/
2009 - 2012	INEQ-CITIES , Socio-economic inequalities in mortality: evidence and policies in cities of Europe http://www.ucl.ac.uk/ineqcities
2005 – 2008	EUROTHINE , Tackling Health Inequalities In Europe http://www.irdes.fr/english/international-collaborations-and-european-projects/eurothine-tackling-health-inequalities-in-europe.html
2003 – 2005	SEDHA , Socio-Economic Determinants of Healthy Aging

LAST NATIONAL PROJECTS ENGAGEMENT

2014 – 2016	Evaluating the health impact of the economic crisis in Italy
2014 – 2016	Health equity audit for the National Health Preventive Plans
2012 – 2014	Registries and surveillance: toward a national epidemiologic information system
2011 - on	National Outcome Evaluation Program

MASS-MEDIA

Experience in presenting research findings to the mass-media and the wider public (examples include the TED conference
<http://www.disuguaglianzedisalute.it/?p=1146>
Collaborator of the online specialized journals: neodemos.it, eticaeconomia.it, sossanita.it, saluteinternazionale.info

RESEARCH INTERESTS AND IMPACT

My major research interests concern: health inequalities and in particular social inequalities in health, health information systems, environmental and occupational health (occupational mortality, occupational injuries, risk communication), migrants and health system, health impact assessment and policy evaluation.

In these activities I gained a wide experience studying epidemiological patterns of health inequalities and assessing policies and interventions to tackle them. My research output includes 111 articles in international peer-reviewed journals, 119 papers in Italian peer reviewed journals, 9 chapters in international books, 101 chapters in Italian books, and six monographs, 3 on equity in health and health care in Italy, 1 on wearing occupations, 1 on 150 years of health in Italy and 1 on health surveillance systems in Italy.

My impact points are 383-54 and my RG score is 39.18 (according to Research Gate) and my h-index is 34 (according to Scopus).

REFEREE ACTIVITY

Referee for journals

Epidemiologia & Prevenzione, Medicina del Lavoro, Journal of Epidemiology and Community Health, European Journal of Public Health, Epidemiology, Biostatistics and Public Health

Projects evaluator and referee for the EU

Consumers, Health, Agriculture and Food Executive Agency

ROLES IN SCIENTIFIC JOURNALS

2005 - current

Member of the Editorial of the Italian Journal of Public Health, then Epidemiology, Biostatistics and Public Health

1993 – 1996

Member of the Editorial Board of the Journal of Epidemiology and Community Health

1988 - 1999

Member of the Editorial Board of the Epidemiologia & Prevenzione (the Italian epidemiology journal)

PRESENTATIONS

I regularly participate, presenting keynote speeches, invited talks, research papers, at national (e.g. AIE, SITI, SIMLII, SIS, SISMEC, CARD) and international (e.g. IEA, SSMM, ICOH) conferences. Within these appointments, I have also been active as discussant, chair, and organizer in several occasions.
